THE MILESTONE

1959

DEDICATION

Twenty-nine years have come and gone. There have been Christmas Dinners, Spring Dances, Free Days, and Commencement Exercises on the Mansion House lawn. Governor Dummer has grown — the Phillips Building, Ingham House, Alumni Gymnasium, and the Frost Building now enhance our campus. The school has built up an excellent reputation for high scholarship and good sportsmanship.

Because they are responsible for these successes, because it was their hard work which has made Governor Dummer all that it is and all that it stands for, the Senior Class in grateful appreciation warmly dedicates

THE 1959 MILESTONE

to

The headmaster confers with Mr. Dalton and Dr. Boyden

Strangers once, we came to dwell together,
Sons of the Governor, tried and true.

Now we're bound by ties that cannot sever,
All our whole life through.

Gather closer, hand to hand:

The time draws near when we must part:

Still the love of Byfield days will linger,

Ever in each heart.

EDWARD W. EAMES
TWENTY-THIRD HEADMASTER

To Build a School

. . . a loyal faculty . . .

. . . a good no. 4 hitter . . .

. . . an interest in boys . . .

The Governor Dummer Chapter of The *Cum Laude* Society received its charter on February 10, 1931. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In the secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must maintain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities and deficiencies, and the nature and the number of courses upon which his average is based.

The speaker at the annual initiation banquet held on May 8 was Dr. Robert W. Wilkins of the Boston University Medical School Faculty, who is chief of the Hypertension Clinic of the Evans Memorial of the Massachusetts Memorial Hospitals. Dr. Wilkins is immediate Past President of the American Heart Association and in 1958 received the Albert Lasker Award of the American Public Health Association.

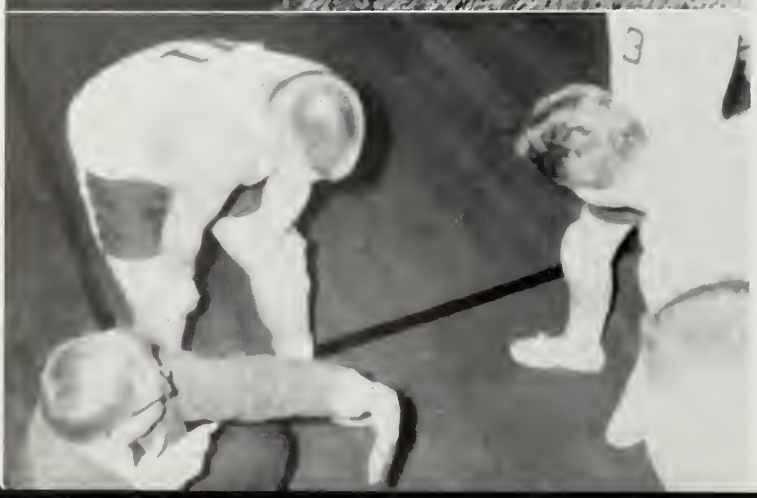
UNDERCLASSMEN

FRESHMEN

By John Hyslop and Jay Gaffney

Despite the fact that the incoming freshman is virtually unaccustomed to boarding school life when he arrives on this beloved campus, he soon adopts the G.D.A. routine by force of habit. As a freshman, he finds himself slowly taken apart, piecemeal, by both upperclassmen and classmates until he has earned a certain position for himself in respect to his fellow classmen. At first the freshman finds his existence tedious and sometimes lachrymose. But here, away from the influence and security of home, the freshman finds access to maturity and eventual manhood. At Governor Dummer this is "our most important product."

Throughout the Freshman Class there are strong signs of potential in the scholastic field. The freshmen are tops nearly every time the Honor Roll is posted. Peter Machinist usually appears in the No. 1 spot, and day student Robert Orcutt is often a close second. On the athletic fields Burke Leahey, Chris Ferris, and Tom Tobey, among others, look promising for future teams.



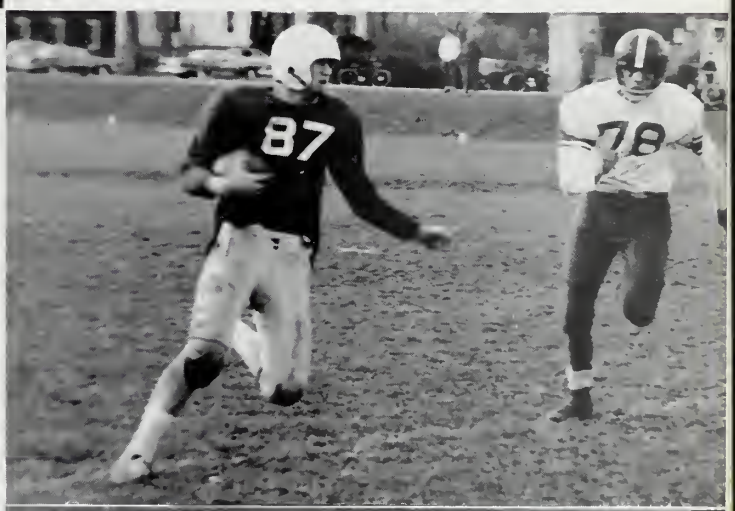
Post Scripts: Celebrities "Fats" Domino (better known as Beachball) and Ricky Nelson enlivened the campus . . . Ham Agnew and Burl Ives initiated the '59 swimming team visiting frogs in the hockey pond . . . Warren joined brother Adolf in "goose-step" — outwits other athletes . . . Doug Coupe refused local F.B.I. request to follow culprit into Phillips, lost a chance for a purple heart . . . Our Piet outshoveled the school plow on the hockey pond . . . Tiger Johnson flattened two burly Emerson opponents single-handed on the mats this winter . . . Flash Gordon lost the sixteen-pound shot in the woods while limbering up the other day — looks like a strong contender for the '60 Olympics . . . "Univac" put I.B.M. out of business with fabulous results . . . Mr. Dann was honored by Masonites in the Govie Snow Carnival with a three-layer wedding cake.

SOPHOMORES

By John Hyslop and Jay Gaffney

As one-year veterans the sophomores gradually broaden their interests to include various extracurricular activities. Participation in the various school clubs and publications ranks high in these fields of interest. Ted Dietz, Tom Mercer, and Michael Stonebraker, among others, have manifested praiseworthy scholastic achievement, placing high on the Honor Roll and in their class. Such athletes as Dave Stringer and John Canepa have displayed amazing natural ability during the school year, and coupled with other sophomores like Tom Woodruff and Pete Boynton, the school can be assured of a great deal of spirit and effort on the athletic fields in the next two years. The Sophomore Class, as a whole, promises to provide extremely capable leaders for the underclassmen of '61 in the fields of sport, citizenship, and scholarship.

Speaking of Pictures: The newly initiated members of the Butt Club were seen sprinting arm-in-arm in a record 440 after the training dinner — prospects for spring track . . . Member Al Thieme, scoffing at winter track men, attempted to break school record for 440. He ended up breaking nicotine barrier at 300 mark and gave up . . . Casanova Kaiser wooed Helen on the headmistress's veranda at Abbot . . . Our dear and lonesome friend Alex gained sympathy from Stan Thomas; they formed co-partnership in the Anti-Female Society . . . the Gay Nineties were reborn on the Byfield campus as the Teuscher-Hartman tandem brought back fond memories to faculty members . . . Jockey's stock market rating dropped off suddenly. (You guessed it: John Underhill) . . . "Desert Rat's" brother acquired the name of "Desert Mouse" . . . Storybook character Panda Wakeman provided a little diversity for Govieland inhabitants . . . Digger Snowdon just couldn't keep his hometown nickname a secret.



JUNIORS

By John Hyslop and Jay Gaffney

The Junior Class has proved itself to be a well-rounded group, meritorious in every aspect of school life. Above all, the class is fortunate to have earned recognition in the field of scholarship. Leading the erudite are such well-known scholars as Murray Mathews, Steve Rzewski, Rick Benner, and Chas Stewart. Mr. Mathews has also received high acclamation for his forensic talent in the Senior Debating Club. The class is also talented in the literary scope of school life. Especially to be commended are Dan Hobbing (author of *The Struggle*), Larry Martin, and Dick Henry, for their frequent contributions to *The Review*. Of course we must not overlook our bosom friend, Bob Rimer, for his election as Editor-in-chief of next year's *Archon*.

All that can be said for athletic ability in the Junior Class cannot be put down on paper; the class has been fortunate to be endowed with laudable leadership on the gridiron as well as in campus life. It would be of poor taste to mention but a few of next year's captains and outstanding players, so we leave it to the reader to watch for their leaders in the forthcoming year's competition. Weighing every characteristic carefully and bearing each individual attribute in mind, one cannot fail to come up with a well-balanced and progressive Senior Class for 1960.

A Caption Editor's Delight: At local meetings of the Breakfast and 9:30 Clubs Rzewski and Deveney have been seen challenging Rao to silver dollar-flipping contests. . . All of Jean's Fellas from Commons H took on and beat Willie's Troup 19-13 in an exciting volleyball bout in the fall . . . What a combo: "Pygmy" and "Tank" as soccer co-captains for next fall . . . Poopsy took the half-time show away from "Swish" Green and "Dunk" Hobbing in the last basketball home game — the crowd was living on every shot . . . Govies got daily views of comic strip character Dondi (Mark Acerra) . . . Hartley Laycock showed zealous gusto for painting toilet seats red. He may replace Mr. Dunning as interior decorating director . . . "Speedo" trotted off with the school record for the 600 . . . ACTIVITIES

Festival Chorus Concert Highlights Year

By Jon Wise

The Glee Club enjoyed a pleasant mixture of singing and social events during the 1959 season. New musical numbers and the prospect of dances to follow concerts with girls' schools kept up club morale during an excruciating series of practices. Bob Pouch was president of the group, and he served well as host to visiting girls' clubs.

After individual tryouts at the beginning of the year, the Glee Club began to learn new music; *O Bone Jesu* by Palestrina and *Crucifixus* by Bach were worthy selections in its repertoire. At a special appearance in honor of the Right Reverend George L. Cadigan, a trustee of the Academy, the Club featured a medley of songs from *Carousel* by Rodgers and Hammerstein and *Seventy-six Trombones* by Meredith Willson. To conclude the program, Mr. Sager led the chorus in *Battle Hymn of the Republic* and *The Lord's Prayer*.

In February the combined choruses of Walnut Hill School and Governor Dummer sang selections from Handel's *Messiah*, *Adoramus Te Christe* by Mozart, and *Christmas Cantata* by Daniel Pinkham. At the dance afterwards, an excellent band was noteworthy. The Meistersingers, pictured on the opposite page, here made their first appearance. The clever lyrics of *Three Jolly Coachmen* and the smooth harmony of *Mood Indigo* won good rounds of applause.

In concert here on April 10 the Beaver Country Day School Glee Club joined our Club to sing several selections from Handel and Mozart. Two weeks later the Red Team travelled to Abbot Academy at Andover, and there the boys enjoyed the last joint concert of the season.

The Annual Festival Chorus at Symphony Hall in Boston was the musical highlight of the year. The Governor Dummer

The concert program included *Christmas Cantata* by Daniel Pinkham. *Jubilate Deo* by Giovanni Gabrieli, and choruses from Handel's *Messiah*.

The Glee Club season was brought to a close with the traditional Commencement program. Early in the year Mr. Sager had called the group one of "great potential," but the boys knew that the success of the 1959 Glee Club was primarily the result of its energetic but patient director. Mr. Sager led a group this year that liked to sing, and sang — a group that liked to enjoy itself, and did.

The Junior Glee Club

By Ted Dietz

The 1959 Junior Glee Club, under the direction of Mr. Arthur W. Sager, enjoyed a very pleasant and rewarding season. Two factors that made the group successful were the number of boys that participated and their attitude and conduct, which was evident not only at concerts and dances, but also at practices.

Having practiced hard before its first joint concert, the group, headed by President Jeff Mitchell, went to Beaver Country Day School and made a fine showing. The group also performed commendably at the remaining programs with Dana Hall School, Shore Country Day School, and Walnut Hill School. At each of these concerts, the boys sang *Shenandoah*, *Catch a Falling Star*, *Aura Lee*, *All Through the Night*, and *I've Got Sixpence*, plus a few songs in combination with the girls' glee clubs. Also featured by the G.D.A club was soloist Dennis Golden, who sang well and was appreciated on each occasion.

The Junior Glee Club certainly achieved its goal this year, not only by providing the boys with a means of escape from the routine of school life and work, but also by supplying them with a source of enjoyment. The boys have learned to sing well as a group and will surely be important in insuring the success of next year's Senior Glee Club.

Light-Tuxbury Passes Earn Touchdowns

By Rick Nalchajian

This year eleven returning varsity players and twenty new recruits reported to Coach Sperry on the gridiron willing to work hard, full of high spirits, and hopeful for a successful season. Along with Coach Sperry, Mr. Anderson coached the defense and Mr. Shortlidge, both offense and defense.

In their first contest the Governors, piloted by quarterback and captain Randy Light simply could not get started against St. Sebastian's. Bill Tuxbury caught a pass from Randy for the Governors' lone touchdown. Playing against Moses Brown the Governors used the well-known split-T attack. Tuxbury caught a second touchdown pass from Randy Light and another from Randy to add the extra points. Kent Dumont was outstanding in the defensive backfield.

In the second quarter of the Milton game Bill Tuxbury caught his third touchdown pass from Randy Light in as many games. Following the halftime the Red Team was far behind because of weak defensive play. They drove for three successive touchdowns scored by Whit Kimball on a three-yard plunge, Lonnie Churchill on a run around the right end, and Rick Nalchajian on a pass from Light. In spite of this rally Milton scored twice more to win the game.

After the Milton game Coach Sperry switched to a slot-T offense to strengthen the passing attack, placing Light at fullback, Rick Nalchajian at quarterback, and Kent Dumont at the slot position. On Parents' Day the team battled against a strong Groton team; after a first quarter touchdown for Groton, neither team could score. The G.D.A. defense played its best game of the season, but the offensive team could not strike "pay dirt." Bill Turner played a remarkable game as a defensive lineman.

At Southboro the following week St. Mark's took advantage of every G.D.A. mistake, scoring two touchdowns on pass-interceptions and others on loose defensive work. Touchdowns by Lonnie Churchill and Randy Light were the only high-

lights which kept up G.D.A. hopes. In this game Kent Dumont injured his knee and finished his football career as a Governor.

The whole team put a great deal of effort into the last week of practice in anticipation of the Belmont Hill game. In the first half of the game the Red Team reached the end zone three times. only to have two tallies called back on penalties. The G.D.A. outfit never quite caught up with the Hillies even though Lonnie Churchill added two more touchdowns.

Because of his continually excellent defensive and offensive playing. Kent Dumont received the Most Valuable Player Award at the Christmas Dinner. Kent made over fifty per cent of the tackles during the time he played. and gained many yards running on offense.

The season was recorded as an unsuccessful one; but. as the team members know. it was not wholly unsuccessful. Qualities of good sportsmanship were developed. and everyone learned to work together for a common cause. It is hoped that next year's team will profit from the experiences of this season.

Cappel Sparks Soccer Spirit

By Dan Hobbing and Randy Plass

The 1958 Soccer Team had a record of two wins, seven losses, and two ties. The customary defense for such a record is an assertation of outstanding drive and spirit which prevailed throughout the season. The "go" on this year's team did compensate for the lack of wins. If the team did not win, perhaps it is important now, but the value of the competition and the sportsmanship will be honored long after the last memory of any score has been forgotten. It is a trite statement but a true one.

Muddy weather was a seemingly ever-present factor this fall. However, team confidence never sank as low as the ball occasionally did, and the elements were accepted as irritating but inevitable.

As for the team itself, it is fitting to begin by offering words of congratulation and admiration to Captain Scott Cappel who, although troubled by a bad knee all season, exemplified the determined spirit which was responsible for what success the team enjoyed. The team was divided, primarily, into two squads of nearly equal strength. The prevailing starting line featured Cal Ringquist, Bob Pouch, Pete Sherin, who was the team's high scorer, Captain Cappel, and Pete Buckingham. They were ably reinforced by Chip Mason, Pete Bostwick, and Chris Prewitt. Among the halfbacks were Geoff Nichols, who was promoted to varsity after two J.V. games, tireless Alan "Tuck" Tucker, who was later to receive the Most Valuable Player award, Jack Czelusniak, who willingly gave two teeth to the cause,

and Charlie Langmaid. Prominent among the fullbacks were Arnie Wood. Randy Plass. and George Poland. a sophomore who made the double jump from the pony team to the varsity. The do-or-die goalie was Bill Whiting, well-known for his diving saves and the hard. steady. all-round game he played. This was the 1958 soccer team.

The season is over now and with it passes the agony of defeat and the exultation of victory. Now the season remains only in memories. The unhappy moments will be forgotten. for as a part of the past they are not important. But there will be the memory of Arnie Wood's mighty toe. Pete Sherin's goal-scoring aggressiveness. Al Tucker's drive and stamina. Scotty Cappel's grim determination. and the inspiration of two good coaches. Mr. Navins and Mr. Coolidge.

Then. there is the prospect of the coming year. Pete Buckingham and Arnie Wood. long-time varsity starters. will serve as co-captains. Six lettermen and several other varsity squad members will return: and with them. the memory of the past season and new hope and determination for the season ahead.

"Game of the Gods"

By John Canepa

The time had finally arrived! After a long season of fall athletics, the time had come for "the Game of the Gods" — volleyball! Everyone anxiously awaited the mysterious messages from Poobah, the Lord of the Heavens. Then one crisp morning the first letter mysteriously appeared upon the bulletin board. After a few days the date was set when Poob would come down from the skies to start officially another rough season of play.

On the great day all were anxiously awaiting the appearance of Poobah, but at the last minute an Interstellar Cablegram was delivered to Mr. Mercer, Poob's agent on Earth, regretfully announcing that Poob would not be able to make his meeting because of outer space trouble. There was a note of despair in the multitude, but fortunately, Poob had included the names of the leagues in his cablegram. This year the leagues were the Vessels and the Missiles.

League play started shortly afterwards, and everyone was playing his hardest. In the Vessel League a new face in volleyball greats appeared — it was the shining face of Mr. Evans. After the first few weeks of play, the Vessel League was engaged in a close championship battle between Mr. Evans' Ewers and Randy Light's Loving Cups. Meanwhile in the Missile League, Mr. Eames and his Electrons were putting down all their opponents. When the final game in the Missile League had been played, Mr. Eames' Electrons came out on top; and in a playoff game the Ewers emerged victorious in the Vessel League. Then in the "World Series of Volleyball," the Electrons put down the onslaught of the Ewers to win the championship.

The second championship in a row now for Mr. Eames, it brings up the question of whether or not he will make it three. Well, for that answer, we'll have to wait until next year, for another season of "the Game of the Gods."

Wrestling Team Triumphs With Undefeated Season

By Jay Gaffney

This year, for only the second time in the history of the school, a wrestling team has had an undefeated season. The two factors which made this possible were the desire and teamwork of the members of the team, and the coaching of Mr. Evans. This season was a perfect example of a team effort in wrestling. Each member of the team had a good, if not outstanding record; and even in losing, each could be counted on to come through with valuable points.

At 115 Fred Smith had a five and two record. It is seldom that G.D.A. has a good 115-pounder, and starting off with a winning man gave the team a big lift. Wrestling in the 127-pound class, Ted Dietz won six of his matches. His best matches were at Tabor, where he lost a heartbreaker 4-3 to the Tabor captain in the last five seconds of the bout, and at Milton, where he defeated a very experienced wrestler 8-2.

John Kempf, the 133-pounder, won four of his matches in his first year out for wrestling. His season was marked by constant improvement, and he managed to "grin down" some of his more unfortunate opponents.

At 138 Ray Ferris lost only one bout in the entire season. Bill Capel and Pete Bostwick, who wrestled above their weight classes throughout the season, also lost only one bout apiece. Bob Dietz, who filled in very capably at 138 before Ray Ferris made weight, came through with a win and a tie. Captain-elect Fred Lyman, wrestling at 177, was actually a light 157-pounder and frequently gave away as much weight as twenty pounds. He was able to

wrestle above his weight and still maintain an excellent 6-2-1 record.

One of the highlights of the practice sessions was the weekly battle of the giants between Dick Pratt and Steve Sawyer for the unlimited weight position. Steve Sawyer won three bouts and Dick Pratt had a 5-2 record; Dick will be best remembered for his dramatic pin in the St. Mark's match.

Captain Lonnie Churchill had an 8-1 record for the season. He was beaten in his first match by Caplan of Browne and Nichols, but when Lonnie beat him in the interscholastics, there was little doubt as to who was the better wrestler. Throughout the season Lonnie did an excellent job, both as a wrestler and as a captain.

At the Interscholastics the Governors had an excellent representation with six men competing and three in alternate positions. In the first round Fred Smith, Ray Ferris, Bill Capel, Pete Bostwick, and Fred Lyman lost their bouts. However, Lonnie Churchill defeated Ross of Andover and went on to the semi-finals where he defeated Caplan of Browne and Nichols. In the finals he defeated Angell of Warwick High School to become New England Champion in the 147-pound class.

Team Wins Second Place In League

By Rick Benner

The basketball team this year ended its fourteen-game season with an impressive ten and four record — one of the best in recent years. This was a squad that possessed fine depth, a feature which has not been common to Governor Dummer basketball. It was a group of players that refused to quit when the going got tough, a team that won ball games by sheer hustle and determination.

With but five returning lettermen as a nucleus, Mr. Williams molded a high-scoring and hard-working starting quintet of which each member scored in double figures in at least one game.

High-scoring honors were divided between Bill Tuxbury and Captain Randy Light, who collaborated to give the Governors a one-two punch that was hard to beat. In addition to his fine shooting eye, "Tux" led the team in the rebounding department.

In the backcourt, playmaker Light was coupled with hustling Kent Dumont, whose driving lay-ups and ball-hawking defensive play proved him a valuable asset to the team. Hard-working Pete Sherin was an able replacement at guard, and his constant spirit was inspirational.

At forward, along with Tuxbury, was sophomore Tom Woodruff, who rebounded and scored well all season, being high point man for the Governors on two occasions.

The center position was shared by 6′ 8″ Greg Meyer and Charlie Eddy. Both boys came a long way during the course of the season as rebounders and as point-producers; in the Hebron game each dropped in ten points.

In their opening game the Governors were edged by a strong Lawrence Academy five which erased a twelve-point deficit to win by four points. Captain Light scored twenty-five points and captained a fine game.

In the winning column, the "Big Red" scored overwhelming victories over Milton, Brooks, St. Sebastian's and St. Paul's, with the reserves seeing much action in these

four contests. Triumphs over Noble and Greenough. Middlesex. and Browne and Nichols were not as overwhelming. but nevertheless were decisive.

Against a strong Hebron quintet. the Governors broke loose in the second half to gain a 68-16 victory. Another most satisfying win came at the hands of Moses Brown. as the Red Team overcame a nine-point bulge held by the Rhode-Islanders through the keen eye of Co-captain-elect Tuxbury. who poured in 25 points.

The most gratifying and hardest-won victory of the season came against Belmont High School. Captain Light played one of the finest games of his outstanding basketball career here to lead the Governors to a 53-50 upset.

The 1959 season was a glowing success in more ways than one. The team's 5-2 league slate earned it a second-place berth in its first year of Private School League competition.

Although the squad members had their share of heart-breaking defeats. their spirit never failed them. and they rallied behind their captain. a fine natural leader and sportsman. This was truly a great team. one of which the coach. Mr. Williams. and Governor Dummer can be justly proud.

Good Ice Spurs Skaters

By Randy Plass

The 1959 hockey team was truly a surprising one to everyone at Governor Dummer. Matching last year's record of 4-7, the team always fought hard no matter what the score. There was good ice in December, and the team was able to get in that much-needed skating between Thanksgiving and Christmas. After the vacation there was still good ice, and the Governors were able to practice on the Ingham rink almost every day throughout the season.

The team's spirit and enthusiasm was admirable. Never overconfident, every player worked to his limit; the boys on the bench constantly encouraged the team. The team was always ready to try to work out flaws in its play. The Governors skated hard at all times, whether leading or trailing in the score.

Each member of the team had some outstanding traits for which he will be remembered by the rest of the team. Charlie Langmaid, this year's captain, will be remembered for his all-around ability at center on the first line. Wings Chris Prewitt and Pete Vermilya will be remembered for their driving offensive game.

The second line was almost as good as the first in ability. John Slater was its mainstay as center, and Tim Hill and Stan Thomas on the wings both played

well throughout the season. The third line this year was a young line — Al Booth. Colin Studds. and Dave Lorenson were its components. They all improved a great deal during the season and gained valuable varsity game experience.

The defense this year was a strong point of the team. Captain-elect Jim "Hock" Deveney proved to be outstanding. He will be remembered for his all-round excellence and spirit. Bob Pouch was perhaps the player who improved most during the season. Ferg Jansen. Arnie Wood, Murray Mathews. and Steve Hesse were always ready when defensive help was needed.

The Governors were strongest this year at the goal position. Bill "Toots" Brian guarded the nets. He was excellent in every game making seemingly impossible saves.

Bill Brian and Jim Deveney jointly received the Most Valuable Player Award for their outstanding play throughout the year.

The team's success must be credited to the fine coaching of veteran hockey players Mr. Murphy and Mr. Dann. Without their instruction and help the team would not have done as well as it did.

Terhune Paces Winter Track

By Ducky Medwed

This year's winter track team was successful in every respect but its record. The team worked hard, improved, and gave everything it had in competition; and in spite of the fact that the team had a poor record in meets, it was a team which accomplished a great deal.

The squad showed a great deal of improvement for one major reason — it worked hard. One goal which was eagerly sought after was the opportunity to run in Boston Garden at the B.A.A. Games, and the work leading up to this event produced some of the finest conditioning of the season. Typical afternoon workouts around this period were three 660's, three 440's, or fifteen hundred-yard breaks back-to-back. Honestly done, these workouts represent as hard a workout as any schoolboy sport can provide, and they were honestly done. They resulted in the team's being able to defeat the Exeter J.V. team.

"Topper" Terhune provided the leadership on the road and in the cage which was necessary for a good season. His speed and efforts caused the squad members to try hard to keep up with him. "Topper" anchored a sprint team in the meets of which four members were under the 38-second mark in the 300.

Bill Turner produced the outstanding performance of the season with a 1:18.8 effort in the 600. He was a consistent

point-winner and perhaps the hardest-working member of the team.

Three new faces in track this year will augur well for future teams. Pete Boynton, brother of a former shot put record-holder at Governor Dummer, has a good chance of bringing the record back into the family. This year he put 47'2" in practice and scored well in the meets, although he did not come up to his mark. Since he is a sophomore, he will have time to develop his potential. Another sophomore, Ed Kaiser, showed a great deal of promise in the thousand.

The juniors, not to be outdone by the sophomores, gave track Carl Youngman ning his specialty several times, and scored this year. Carl did 34.9 in the 300, winin the sprints as well.

The track team was outclassed in many of its meets. In spite of unfavorable practice conditions, it managed to break even in dual meets. But winter track can never be measured by the scoreboard. The sqnad members gained excellent conditioning because of Mr. Sutton's fine coaching; and because of the hard work, a nucleus around which to bnild the spring track team has been developed.

Coach Evans Moulds a Lacrosse Team

By Dick Henry

One evening late in the Winter Term. Mr. Evans officially initiated the spring season with his annual announcement: "It is now approaching that time of year at which a young man's fancy turns to lacrosse . . . " Unfortunately. on that first day of practice. Coaches Evans. Anderson. and Murphy found that only the young men had turned to lacrosse. and their fancies were dampened by wet fields which made the season slow to get underway. Despite wet fields. a high spirit was developed both on and off the fields. Everyone was eager to practice for their first game with the Harvard Freshmen.

Every team has its misfortunes. and this year's squad was hurt by its lack of depth. With only five letterwinners returning from last year. many J.V. players have advanced who will help the squad in the years to come.

A few days before the opener. Morse Field dried out; and the coaches, at long last. got a better look at their material. The first midfield proved to be the strong point of the team. consisting of Captain Lonnie Churchill. Tad Akin. and Chris Prewitt. A potential scoring attack of Ray Ferris. Rick Friend. and Randy Plass was set up. with a defense of Fred Lyman. Ferg Jansen. and Dane Woodberry. At the goal position the team has confidence in Bob Pouch. who excelled on the J.V.'s last year.

In their first game with the Harvard freshman team on April 15. the team lost by a discouraging score of 13-1.

Over the last four years Lacrosse has been a top sport at G.D.A.. with one undefeated season and a winning ratio of seven to one. Mr. Evans seldom has a great deal of truly excellent material to work with. but he always manages to turn out a successful team. The players have not let their initial loss discourage them. and they look anxiously toward a promising season.

Strong Baseball Team Looks Promising

By Randy Light

On April 10 at Morse Field, Governor Dummer opened its 1959 baseball season by playing a nine-inning scoreless tie with Haverhill High School. Using three pitchers, the Governors gave up a total of three hits. At the plate the number three came up again as the team collected a trio of hits, two by Captain-outfielder Pete Sherin and the other by Carl Youngman. On defense the Governors played a game typical of mid-season form. Carl Youngman made two fantastic grabs over his shoulder to rob Haverhill players of extra bases. In the second inning with one out and a runner on first base, Bob Bradley, Haverhill third-baseman, smashed a one-hopper to third-baseman Bill Tuxbury. Tux fired the ball to Dana Steele at second, who was the pivot man in the season's first twin-killing. After the game the Haverhill coach remarked that the '59 team is the strongest Governor Dummer ball club he had seen in years.

The Govs played Groton Academy the following Wednesday, and came home with another nine-inning tie game, the score two to two. Arnie Wood's double led to the first G.D.A. run in the second inning, when he hit to right center and moved to third on Whit Kimball's infield hit. Rick Benner then squeezed Wood in with a well-placed bunt. Trailing by one run in the bottom of the ninth, the Governors came through to tie the score. Pinch hitter Will Nalchajian walked and Rick Benner sacrificed him to second. Bill Brian moved him to third on an infield out. Then, with two strikes on him, Pete Sherin smacked a shot through the third baseman to score Nalchajian. The defense gave another fine demonstration and pulled off two double plays.

The clouds have finally cleared over the baseball diamond and the outlook for this year is the brightest it has been in years. Coaches Navins, Ashley Eames, and Miller credit the team with a fine defense, effective hitting, and lots of hustle. With these elements of a successful ball club, the school looks forward to an exciting season.

Spring Track Develops Balanced Team

By Jon Bailey

Track this year, with its usual number of candidates, produced competent men in each of the particular events soon after the season began: some men were talented in several events. The team was not fortunate enough, however, to have men capable of taking seconds and thirds in order to bolster the over-all score.

The high jump was an important field event with Dan Hobbing its most promising contestant. Dan also proved himself in throwing the discus and the javelin. Pete Vermilya was the master in the broad jump and was supported by Co-captain Kent Dumont and Topper Terhune. Pete Boynton was the number one shot putter as well as a good man on the low hurdles.

The 100 and 220 yard dashes and the high and low hurdles were well manned by an interchangeable group of contestants. Good in the 100 and 220 yard dashes were Topper Terhune, Co-Captain Bill Capel, Denis Golden, and Ducky Medwed. Kent Dumont, Topper Terhune, Pete Boynton, and Bert Noyes jumped the hurdles.

In the longer races the team could boast equally proficient athletes. Competing in the quarter-mile dash were Bill Capel, Denis Golden, and Jon Bailey. In the half-mile there was Bill Turner, Edgar Kaiser, and Jack Czelusniak. The mile run was executed by Chip Mason and Austin Graves.

The team practiced daily on the grass path running circles around the lacrosse team while progress was made on the new Huggins Field and Track. Coaches Sutton, Sperry, and Fuller did an enviable job with the large squad. With a six meet schedule the team will undoubtedly be a busy one; and team members look forward to it with anticipation and high spirits.

On the Links of Ould Newbury

By JOHN CANEPA

This year's golf team looks forward to a very successful season. although three of the '58 team members have been lost by graduation. Dave Chilton. Alan Tucker. and Captain Phil Poe are the returning lettermen; with these basic players the team has hopes for an excellent year.

As usual. the squad's practice sessions were delayed at first by a wet course. so the players had to work hard to be in shape for their opening match against the Harvard Freshmen on April 18.

Prospects for future teams look good. Sophomores Jim Bull. Dave Shilton. Mike Stonebraker. and John Canepa and freshman Pebble Rock will give this year's team quite a bit of depth. This should be a good building year in that the younger members of the squad will be able to get necessary competitive experience. Mr. Mercer will be able to rely on able substitutes if there is that need. This is an important factor that many teams lack and few coaches can enjoy.

The season is sure to provide some exciting contests. Tri-meets with Phillips Andover and Exeter will be held three times. once at each school. Four dual meets are also scheduled in what promises to be a well-rounded season. and the team enters it in the highest of spirits.

Tennis Proves Popular

By Bob Rimer

On Thursday, April 2, thirty-nine boys tried out for the tennis squad. Since facilities are limited to six courts, Coaches Dann and Friend had to cut fifteen boys from the squad. The weather was excellent during the first few days of practice, and the team of ten was chosen from two dozen contestants. Boys returning from last year to play on the team were Captain Pete Buckingham, Tom Cervasio, Larry Hanelin, Greg Meyer, and Charlie Langmaid. Dave Connor, Jim Deveney, Steve Hesse, Jeb Selden, and Warren Vaughan completed the team.

In previous years the tennis team lacked depth. This year half of the previous team has returned, and each returning team member has had match experience. Coach Dann and hte team are looking forward to a successful season.

THE TENNIS LADDER is composed of the fourteen players that rank just below the team. Under the watchful eye of Coach Friend, boys challenge others and battle for higher rungs on the ladder. Near the close of the season doubles teams will be formed to keep excitement and competition high. Ladder members will be good contenders for team spots next year.

YEAR 196

THE 196th YEAR

By JOHN CATLETT

This has been your year, seniors! It was a good year, and good things happened. New traditions were begun; old ones continued. The business of education was carried on. Fun found its way to the campus, in situations both premeditated and spontaneous. The prevailing spirit was enthusiastic, and there was the satisfaction of doing well on the athletic fields. This was Governor Dummer for the Class of 1959.

FOOTBALL-SOCCER RALLY

A piercing whistle and encouraging shouts drew two hundred boys and faculty members from the quiet of evening study hall to the resounding walls of Lang Gymnasium. The eve of the Groton Football Game and the Tabor Soccer Game and the night before Parents' Day, it was a big event in the Fall Term. Greeted by the rhythmic beats of Ken Wolf's band and clamorous shouts from all — faculty and students alike, the first big rally took shape. Bill Brian introduced starting team members for soccer and football. Randy Light spoke as Captain of the Football Team, and Mr. Sager gave an inspiring speech about courage. The cheerleaders were at their best — the Governors' Locomotive definitely outclassed real locomotives for producing noise. Scott Cappel, the Soccer Team Captain, was given an enthusiastic Red Team after his speech. Bill Brian then introduced Harv Hayden '58 who topped off the night with riotous remarks and good advice for the teams. In the last cheers Miss Toots Roll led the skyrocket dressed in a risque G sweater and mop-type hair-do, and Fred Huntress for the first time got off the ground on a cheer. Hot cocoa and plenty of donuts served to implant the spirit of the evening in each hungry boy, and the procession back to the dorms was triumphant.

SENIOR SYMPOSIUM

Bill Capel, reportedly an employee at G.D.A. for a term to rival the headmaster's 29-year record, will milk his cows for the last time before breakfast on Commencement Day . . . Dick Hendrix once had the biggest magazine collection in the school.

Tad Akin remembers one weekend last fall when he was taken to be a college man, and then just taken . . . If Bill Donnelly hadn't finished his solar furnace experiments he would have been cooked . . . Courtney Bird, repeated *Time* award winner (five years?), was also famous as the only honest member of the "Corporation" . . . Ted Bliss did all his homework before vacation — and then just sat there wearing a wide grin . . . Steve Volpone reportedly earned $10 for getting a haircut.

Rumors have it that Dane Woodberry, on parole from Danvers, loaned his rifle to the campus convict to aid his escape . . . Rev. Kimball received the highest mark of the year on Mr. Mercer's Bible test . . . Moose Stone sold orange juice on the side when he wasn't engaged in a water duel . . . Dick Sawyer made it through the year without being embalmed by Czelusniak, perhaps because Jack was getting fat and lazy . . . Phil Poe, the Sam Snead of Ould Newbury, won the distinction of being the first senior to lose his boater.

Steve Hesse, the unconfirmed bachelor, went for Miss Toots Roll at the pep rally in a big way . . . Roy Nash only won Honorable Mention in the Aga contest, but was an undisputed rock and roll king . . . Kray's fashion plate, Jim Foley, was forced to invent hinged ocean liners so they could travel down the Parker River from his shipyard . . . Ducky Medwed, rejected both for the Aga and Lip awards, won fame as the coathanger Zorro . . . Topper and the Mississippi Gambler proclaimed themselves champions of bridge, enjoyed an unchallenged season . . . Ralph Coffman spent the year in the crow's-nest of Phillips, was known as the Matt Brady of G.D.A.

Dick Pratt was chosen by the Senior Day Boys as secretary in charge of Day Boy Holiday permissions . . . Verms refused to accept the Kenneth A. Weene Award . . . Ken Weene refused to accept the Peter T. Vermilya Award.

Kent Dumont's picture on the cover of the Alumni Bulletin was said to be more than suave . . . Dave Latham was chased by the Senior Army but was able to beat them off with his guitar . . . Maybe Charlie Langmaid is lucky that he's leaving before Mr. Wilkie can throw *him* into the hockey pond . . . Walt Cannon glided through his vacations and was always up in the clouds when he came back.

Vapo, who served as a punching bag for Chip Mason, was famous for his Western Union punch . . . Seymour was a friend to all telephone operators, but definitely an enemy to certain Moodyites on one memorable occasion . . . Brian Marsh, the Blimey Limey, claimed "diplomatic immunity" while he dozed in class.

Dana Atchley's statue — "Cleopatra on the Rat" — never died, it just melted away . . . Bobby Dietz might have been the model for Atch's rat, except that it doesn't snow in the desert . . . Bill Whiting's demonstration of "monkey shines" may have been amazing, but it was nothing compared to the amazement which was caused when Keith MacNutt made his first slash.

Charlie Eddy, the Thanksgiving theatergoer, deserves a special prize for living with the Great White Whale . . . Tuck's motto of "Gotta keep going" kept him going from team to team in League Basketball . . . Fog sometimes forgets that you can't see the green balls on a Christmas tree.

Rick Friend doesn't give beans about beans — he's going to can lacrosse sticks for a living . . . Rather than miss an adventure of Huckleberry Hound, Jon Bailey gave up a trip to Switzerland . . . Randy Light will probably learn to palm a basketball before the Pirates ever win first place (Ah believe).

The wrestling room was kept sweet with Lou Platt's Air-wick bottle . . . Roo disposed of his goldfish in the pages of an old copy of the *Weiver* in a Motherly way, still insists that the Cadillac is just a comfortable car . . . Cal Ringquist never bothered to button his shirt collars . . . Father Pouch brought Edward R. Murrow to the campus on frequent informal visits . . . When Sam Cate wasn't smoking in physics class he was devising a way to burn down the Mansion House with mirrors . . . Scott Cappel was known for his association with the Byfield beatniks.

Lonnie Churchill has been shaving himself (with Nair) for two years — cut himself both times . . . "The Leader" will never win the NSAAGDA trophy while Mr. Miller is in the race . . . Mr. Joseph, the popular Glee Club waiter, was known for his coat of many colors — but not for too long.

Ken Wolf survived that legendary drinking episode in his sophomore year only to succumb to Rao's Good Deal . . . Ray Ferris got the mark of the year in one physics test . . . Fred Huntress was the winner of the Morse Pants award for foresight. He couldn't see beyond his nose, but that was quite a ways.

Chick Canterbury, the quiet chessman, played with the wisdom of the ages but the voice of Stentor — for a while . . . Dave Ellis has been resting his vocal chords for two years in preparation for the Commencement Hurrah . . . Ferg was discovered to be the one who started the rumor that his lip was shrinking.

GENTLEMEN INCORPORATED

Gentlemen Incorporated was an unusual venture at G.D.A. which produced shrewd stock brokers, many stockholders (some of them even happy about it), a few skeptics, and a great number of would-be market crushers. Evolving from study in a math class, the *Corporation* quickly grew almost to the size of its president. In order to feign legitimacy a secretary was chosen from among those in the class who could both read and write. Foresight led to the election of a treasurer (hindsight should have led to his expulsion) who was forever forgetting that a little dime is worth more than a penny (which looks much bigger). Even if his praying didn't save the *Corporation*, the members knew that their Polish chaplain would be the last to let them down.

The Middle Street Stock Exchange reported a rapid rise in the *Corporation's* quotation from ten cents to twenty-eight cents in only a few days. The efforts of Ivanoff Bareitchsky went unheeded but not unnoticed by most stockholders, and the quotation continued to climb. When a batch of phony stock began turning up in the exchange, there were fireworks; but few stockholders were seen jumping out of tenth-story windows (perhaps because there are few ten-story buildings on campus).

When, soon after its inception, *Gentlemen* decided to ascribe to a purpose, the *Corporation* voted to erect a modern and complete shopping center in downtown Greater South Byfield area. The original site chosen for the center was abandoned when it was found that high tide threatened to flood the buildings. A new site was quickly chosen but not dsiclosed to the stockholders. By an arrangement with David Huggins '35, the *Corporation* arranged for a clever cover-up which left even the headmaster (a stockholder himself!) expecting some sort of a race track instead of the secretly-planned shopping center.

The chance that some of the *Corporation* heads will not return in the fall puts considerable question in all our minds as to what will happen to our money. Some of us (but not all) trust in the integrity of the faculty member of the *Corporation*. But when the rumor leaked out that he considered the whole venture "educational." I lost all confidence.

MILESTONE

DANCE

Ties That Cannot Sever. . .

The 196th Year is drawing to a close, and the events of 1959 are becoming memories. Our campus fugitive made headlines in the fall and uncovered the natural heroic tendencies of the masters in aiding the police. The wrestling team was undefeated, and the basketball and baseball teams were outstanding. The snow sculpturing inspired by Peter Navins enlivened the winter term and promised to become an annual affair. Disrespectful Moody freshmen were justly punished when one night they were thrown into Morse Pond by the offended Senior Army. Seniors smile when they think of Mr. Marr's car completely concealed under a pile of snow.

With the arrival of senior boaters, of college acceptances, of spring weather, and then of Commencement Day, the year passed all too quickly. As we reflect, we recall daily life: fighting the store crowd, taking a water cut, going off to Dodge's, reigning as latrine queen, writing letters in study hall and taking early lights, and getting japped in class. But more than that, as the last June days are passing by, we suddenly realize what it is that we are leaving and how much it has meant to us.

We like to call 1959 "our year." We like to feel that it was a better year than the ones before it, one that will be hard to beat in future years. Governor Dummer will go on without us; it may endure forever. Nevertheless, we may take pride in our contributions to G.D.A. We will be grateful for the contribution which Governor Dummer has made to each of us. As we circle the ancient milestone at Graduation, and yet as we grow old,

"Still the love of Byfield days will linger
Ever in each heart."

Nobody knows how many hundreds of thousands of people will dine tonight with TOWLE Sterling — but the actual number would be startling. For in the two-and-a-half centuries that beautiful silver has been made in Newburyport, the demand for its patterns has moved steadily upward. Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.

Congratulations Seniors !

Graduation marks an end and a beginning. Yours is a sound foundation upon which to build more advanced education for a full and productive life. June 1959 marks an important milestone.

Documenting your years here at Governor Dummer is the 1959 *Milestone*. It represents a supreme effort in thought and hard work by the editorial and advertising staffs aided by the faculty adviser. You can be proud of this yearbook.

We of Newburyport Press are proud to have had a part by producing the 1959 *Milestone*.

Acknowledgments

The 1959 Milestone is published at great expense of time, money, and personal effort. There are those who deserve a special thank-you for the time, money, and effort of which they willingly gave so much.

Miss Elizabeth A. Page did the work in accounting and bookkeeping.

Messrs. J. Richard Williams and David Brown of Newburyport Press and Mr. Harold C. Johnson of the Folsom Engraving Company spent many hours in South Byfield and in Newburyport explaining printing techniques and supplying helpful advice and needed information.

Mr. Stanley Hatfield of the Bradbury Studio in Melrose took all the formal pictures included in the book and also several informal shots.

Chairman Bob Pouch, the *Milestone* Dance Committee, and Mrs. Eames were responsible for the successful dance which aided the book financially. Mr. Hugh B. Dakers, our Household Director, did an excellent job in planning and serving meals over the dance weekend.

Our advertisers, of course, carried the major financial load for the *Milestone*.

The Camera Club was instrumental in providing many informal pictures for the book.

Mr. Douglas L. Miller, faculty advisor for the *Milestone*, not only guided the Board in the right direction in the fall, but was energetic and enthusiastic about all the phases of *Milestone* production throughout the year.

So pass the ancient milestone by,
And lift the Senior Song on high;
Around the ancient milestone file,
For we have yet a little while
To linger—youth, and you, and I—
In Byfield days.
